ISSUED TO: Yarmouth Solid Waste Park Management Authority c/o Glendon Ring

APPLICATION/APPROVAL NUMBER: 2013-085222-A01

INSPECTION DATE: January 31, 2019

MAILING ADDRESS: PO Box 10, Tusket, Nova Scotia B0W 3M0

SITE NAME: Yarmouth Solid Waste Management Park

SITE ADDRESS: 1932 HARDSCRATCH RD. SOUTH OHIO NS

OVERVIEW OF INSPECTION

An audit was conducted at Yarmouth County Solid Waste Management Authority (Soil remediation facility) Approval Number 2013-085222.

Inspector Turner met with manager Glendon Ring.

Approval conditions reviewed with Mr. Ring. A site inspection followed.

Soils accepted at the facility are fully documented in accordance with 5 a of the operating approval, and were provided to inspector Turner for viewing.

Contingency plan on file.

Oil water separator present and viewed.

Stock piles of contaminated soil viewed.

The facility processed 3100 Tonnes of contaminated soil in 2017, well below the 9500 tonnes approval limit.

An estimated 5000 tonnes of treated and untreated soil is currently stored on site.

Piles marked according to substance and stage of remediation.
