Dear Councillors,

On behalf of the Bay of Fundy Sea Kayak Symposium, I write to invite you to a dinner being held on Saturday, September 14 at the West Pubnico Legion at 6 p.m. We will be serving a turkey, fish, rappie pie, salads and desserts. The dinner will be followed by a presentation from renowned kayaking coach Nigel Foster.

We are asking that individual councillors, or the municipality as a whole, consider purchasing 20 tickets at \$15 each, for a total of \$300. We have partnered with the ladies auxiliary of West Pubnico fire department and the Glenwood community centre to help with the dinner. All profits from the dinner plus a portion of funds raised during our silent auction will be donated back to these two groups to help with special project and expenses they have. The funds would be used to cover the ingredients for the dinner which will ensure all funds collected will go directly to the two groups.

The Bay of Fundy Sea Kayak Symposium attracts over 100 avid sea kayakers and coaches to Argyle and area every two years. This dinner would be an excellent opportunity for you to meet the kayakers, who are thrilled to paddle in the dynamic waters of the Bay of Fundy in and around Argyle. The reputation of the Symposium, and paddling in southwestern Nova Scotia, is such that we received twice as many coaching applications as we had positions, and all of our participant positions are filled.

On behalf of the Symposium's Board of Directors, I do hope you can attend this dinner. It would be an excellent opportunity to further solidify the reputation of Argyle and area as a world-class sea kayaking destination.

Christopher Lockyer  
Executive Director – Bay of Fundy Sea Kayak Symposium
