Subject: Grant of Exemptions

Morning Aly,

We are planning some End of the Summer Fun at the Brewery and it includes two nights of live entertainment outside and I'm looking to get a grant of exemptions by council in order to host these events. Tickets will be sold and available for members of the community to purchase. Dates are Aug 23rd and Aug 30th from 8:00pm to 12:00am (bands are only scheduled to play until 11 but if it goes well, they may continue to play a little longer). The immediate properties around the brewery are all commercial and would be closed during this time. We will be having the events outside on the front lawn under a 3-sided enclosed tent. The music will be amplified, but focused within the tent. The reason for having these events outside is due to the size of the band and the crowd they will draw. We are unable to host it indoors.

I will be applying for the extension of licensing for alcohol and gaming today as I need to give them enough notice as well.

Please let me know if you need any further information prior to the meeting on August 19th.

Regards,

Melanie Sweeney
