

February 6, 2020

Chris Brown  
Chair, Yarmouth YMCA Board of Directors  
YMCA of Yarmouth  
PO Box 86, Yarmouth  
NS B5A 4B1

Dear Mr. Brown:

Thank you for your letter of January 15, 2020 regarding the YMCA.

Councils for the Municipality of Yarmouth, Municipality of Argyle and the Town of Yarmouth met to discuss the proposals put forward by the Yarmouth YMCA as outlined in your January 15, 2020 letter.

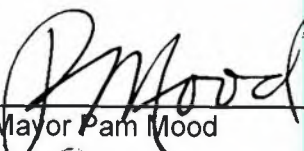

Councils have agreed to fully fund a condition assessment. Town Engineer Marc Brophy will be fully involved in the process as a condition of the grant to the YMCA. This work is necessary to inform a decision by Councils with respect to a formal, long term partnership with Yarmouth YMCA.

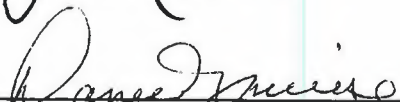

A further condition on the grant is that Y-Canada extends its deadline until the condition assessment is completed and Councils have had time to review the implications of the findings.

We will await your response.

Yours truly,

  
Warden Leland Anthony

  
Mayor Pam Mood

  
Warden Danny Muise
