

## Memo

**To:** Council

**From:** Lori Murphy-Clerk

**Date:** November 24, 2020

**Subject:** Appointment of members for Accessibility Advisory Committee

---

In September 2018, the province released the Government of Nova Scotia Accessibility Plan. This plan outlines specific actions for achieving an inclusive, responsive, and accessible workplace for Nova Scotia public servants, and ensuring our services are accessible to all.

The role of the Accessibility Advisory Committee is to advise the municipal council on identifying, preventing, and eliminating accessibility barriers to municipal programs, services, and infrastructure.

A staff member who was on the Accessibility Committee has changed jobs and therefore will not be able to continue in her role on the committee. Staff have asked Ginette d'Entremont to take her place and she has agreed.

**Proposed Motion:**

That Council approve Ginette d'Entremont to sit on the Accessibility Advisory Committee.
