Warden and Council,

I have appreciated the dialogue and collaboration with Council since being first elected to the Legislative Assembly. Council's insight and feedback has certainly been of value regarding various concerns and priorities. Continuing this relationship as our government starts its mandate is fundamental to addressing local, regional and provincial matters.

I would like to extend to Council an invitation to meet again to discuss local and regional priorities and to collaborate to finding solutions.

Please reach out to my office by phone at (902) 648-2020 or e-mail at info@coltonleblanc.ca to arrange a time to meet.

Yours truly,
