Re: Presentation regarding a potential partnership between the Municipality & the Golf Club Association.

Good Day to all,

I would like to thank you all for the opportunity to do a presentation regarding the West Pubnico Golf Club Association (WPGCA). As you know the WPGCA was established in 2019 when the West Pubnico Golf Course Limited was converted to an association, from a Shareholder Owned Golf Course. The benefits to date have been positive with the Association in a better financial position to date.

As well, I would like to point out that this is for discussion and that we are seeing if the MoA is open to this type of request. If so, we are prepared to work with the MoA on this proposal, and any changes that may be required.

Why are we here? What is the request? What part does the Municipality play and what do they receive?

Why are we here? Financially, although we are in a better position today, the WPGCA currently has the financial resources to operate and cover all expenses and wages associated with the current operation. I have attached an interim Income Statement & Balance Sheet for you to look at for yearend October 31st, 2021 and will be prepared to answer any questions you have.

The Board does recognize that there will be some significant investment that will be required in the near future i.e. Building renovations, new equipment, etc. The Board also feels that they are in a position to deal with the replaced equipment, however the upgrade to the building is concerning.

The building is currently over 20 years old and will require some major repairs in the coming years. Some of those would include:

- 1) New Roof
- 2) New Windows
- 3) New Doors
- 4) New Flooring
- 5) New Deck.

What is the Request? The WPGCA is requesting a form of partnership with the Municipality of Argyle (MoA) whereby the MoA will commit up to \$10,000 per year for 10-years to be used exclusively for the renovation of the cub house located at 238 Golf Course Road. These funds could be contingent on conditions, if required, such as:

- 1) The WPGCA matching the dollars each year with the funds going to repairs to the club house.
- 2) The WPGCA will carry out fundraising activities each year to match our contribution.
- 3) An agreed upon profit margin whereby if the Association exceeds, then there could be some sort of claw-back based on a formula. For example: If the WPGCA has a profit of \$50,000 or higher, then the commitment from the Municipality may not be needed for that period.
- 4) Quotes on the work required with projected costs.

What does the Municipality of Argyle receive from this?

The WPGCA currently runs one of the largest recreational complex in the Municipality of Argyle. Although it is primarily a Golf Course, it has the potential to be used year-round for other events. The club house is an exceptional building that could be utilized for other activities in the Municipality. By partnering with the WPGCA, the Municipality would have access to the facility to use at no cost. Some of the ideas of things that it could be used for are as follows:

- Winter/Fall/Spring Activities: 5k winter run; Archery; Walking groups; Trout fishing & casting;
   Sledding; Cross Country skiing; Snow Shoeing; Snow sculptures; Winter hiking; Winter camping;
   Yoga; Art classes, etc.
- Seniors: Card games; meals (full kitchen); Pick up center when required; Meeting center; Seated fitness, etc.
- Youth: Movie Nights; After the bell program; Game Nights; Fire pit; etc.
- Advantages for Rec Department: Storage space for equipment; Meetings; Kitchen facilities;
   Room for staff training/workshops.

In closing, to summarize, the WPGCA & MoA would commit to spending up to \$200,000 over 10-years on the renovations of the facility located at 238 Golf Course Road. This partnership will allow the MoA to use the facility for several different activities/events at no cost to the MoA. This commitment will allow the protection and continued use of the asset the MoA has with this recreational facility.

Regards,

Darryl LeBlanc
President
West Pubnico Gold Course Association
