Municipal Councillor - District 7
Municipality of the District of Argyle

Dear Ms Bourque,

We, at the West Pubnico Golf Course Association, have been working on building the our membership, especially the women sector. We have offered lower membership rates to women , over the past two years. We have arranged lessons and weekly fun events, to attract beginner women golfers. We are seeing an increased number of women participants .

In order to assist us in continuing these initiatives, we would very much appreciate any funding you could provide at this time.

Kind regards,

Edith d'Entremont
President - Ladies' Division
