Nicole Albright
Councillor, District 5

Dear Mrs. Albright:

I am writing to ask for a \$500.00 District Community Grant to help with our expenses as we are starting to meet again following the pandemic.

The insurance on our sewing machines and all contents and monthly rent are expenses that the grant would be a great help.

We are continuing our work to help others. Donations of quilts have recently been made to the Gilles Boudreau Cancer Fund, the Belleville community sign project and the Lionettes for fund-raising projects. With more groups trying to organize themselves following the pandemic, and possibility of Ukraine immigrants, we foresee more demand for our support.

Thanks,

Jeanne Doucette, president
Patchwork Pals Quilting Group
