Re: Municipal Involvement in Vulnerable Persons Registry

Dear Wardens and Mayor,

At November's Executive Regional Emergency Management meeting the committee discussed the request to review the need for a Vulnerable Persons Registry. After careful consideration, the Emergency Management Committee concluded that, presently REMO is not positioned with staffing or finances to explore this request.

REMO acknowledged and appreciated similar work already being done in the community through our Seniors Safety Program and other community organizations. REMO recognizes the capacity a VPR would bring to the community in times of need.

We appreciate your understanding and attention to this matter.

Sincerely,
