Subject: Parking lot on Myrtle Lane

Good Day,

A couple of weeks ago I received an email from Carolyn Poirier, Senior Highway Planning Engineer from NSPW regarding the boat launch on Myrtle lanes (Lane off of Nakile Drive). She was asking if the Rec Dept uses the launch and if so, where would we park. She's exploring the possibility of developing a parking lot for the boat launch. She asked if a parking area was developed would the Municipality be interested in owning and maintaining it. I told her I would bring it to our leadership team for discussion. Unfortunately, we haven't met since, and it looks like tomorrow's meeting will be canceled.

In my opinion it's a good idea. We do not have many accessible boat launches in our Municipality and this just adds value. As far as the maintenance should be very minimal – gravel once in a while and possible a bit of mowing?

Thoughts?

Natalie
